2024-2025 SCHOLARSHIP

The American Subcontractors Association of Western PA is committed to filling the void of workers entering into the construction industry. A newly released Scholarship Program will help us to meet this goal by inviting future workers who are currently enrolled in high school, trade and Vo-tech schools, community college, entering the workforce after a career in the military and apprentices.

Objective

To provide scholarship opportunities to Western PA high school and trade school students, and military men and women looking to work in the trades with union and non-union companies in the Western Pennsylvania region.

Scholarship Funds can be used in the following ways:

Tuition (as long as it doesn't interfere w/ financial aid)

Money will be sent to learning institution

Books, tools, supplies

Student will be reimbursed for supplies by submitting their receipts

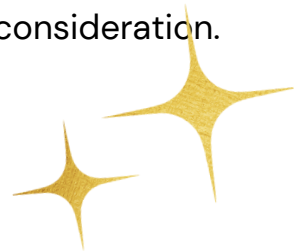

Fill out the application and submit online below.

If you have any questions about the application or the review process, please email erin@asawpa.org

Application must be submitted by March 31, 2025 for consideration.
