## APRIL DINNER MEETING

Over 70 ASA WPA members and guests gathered at the LeMont on Mt. Washington for an evening of networking, dinner and presentation and conversation with our guest speakers from Rocky Bleier Construction group, Rocky Bleier and Jim Kephart. Also in attendance from RBCG were Ron Gessinger and Jerry Siefert.

Thank you to our speakers and to everyone who attended!

## BURN EVENT

### HOSTED BY OUR ASA WPA EMERGING LEADERS

Combining the perfect weather with a fabulous venue in PGH, our BURN Event was a huge success! Thank you to Burn by Rocky Patel for the fabulous food and great atmosphere. Thank you to all who came to network and have fun.

And especially a huge thank you to Seubert and Burn for the fantastic donations for our raffle basket, won by Justin Shaffer from Easley & Rivers!
